

Disclaimer:

EXPRESS INTENT: In no way shall this instrument and the associated private account be construed as intent or foreknowledge to conspire, combine, confederate, or agree in any manner, shape or form to defraud the United States. All presumptions by any party that this instrument is presented with the intention of impeding, impairing, obstructing, and defeating the lawful government functions of the federal government or that this instrument is a false or fictitious instrument, document, or other item appearing, representing, purporting, or contriving through scheme or artifice, to be an actual security or other financial instrument issued under the authority of the United States, a foreign government, or a State or other political subdivision of the United States is herein rebutted and rejected as slander. No such intent nor is acknowledged with the issuance of this instrument.

This instrument should not be construed as an attempt to "pay" or "prepay" taxes or anyway question the national debt as said debt is protected under the fourteenth Amendment in Section 4 which states:

"The validity of the public debt of the United States, authorized by law, including debts incurred for payment of pensions and bounties for services in suppressing insurrection or rebellion, shall not be questioned. But neither the United States nor any State shall assume or pay any debt or obligation incurred in aid of insurrection or rebellion against the United States, or any claim for the loss or emancipation of any slave; but all such debts, obligations and claims shall be And illegal and void."

This is a private instrument and is not issued under statute or any government authority. This instrument is private and is issued under the common law right to contract which is protected under Article I Section 10 which states that "No state shall pass any law impairing the obligations of contracts." The value established for this instrument is derived from the future labor of the secured party which is her God-given right to determine. Such labor is pledged to the United States and is represented in the public through a legal fiction entity classified with a social security number and takes effect through private agreement ONLY.

This instrument is issued for the sole purpose of setting off/offsetting debts using debt instruments. The compelling interest of the public is herein acknowledged and every attempt has been made not to compromise the interest of the public. Notice is herein given that the United States Treasury may return this instrument unendorsed to the issuer if it deems its intrinsic value to be unacceptable or in violation of federal and state law.

Secured Party herein expressly reserves all rights under the common and statutory law without prejudice.
